

Statement of Compliance

Helsingør, 6 February 2017

Dear Customer

REACH (SVHC) Declaration

Dana-Seals A/S is acquainted with the obligations set out in the REACH EC 1907/2006 regulations and has taken the necessary organisational measures to ensure that our products conform with the REACH requirements.

As a PTFE manufacturer, we are a downstream user within REACH and ECHA. Any products you receive from us are defined as articles.

We hereby confirm that the PTFE products manufactured and marketed by us do not contain any of the substances on the ECHA candidate list of Substances of Very High Concern (SVHC). That list is available on the ECHA website: www.echa.europa.eu/candidate-list-table

RoHS Declaration

We hereby confirm to the best of our knowledge that neither during the production of raw materials nor during the production of Dana-Seals A/S semi-finished products, substances like lead (Pb), mercury (Hg) cadmium (Cd), hexavalent chromium (Cr6), polybrominated biphenyls (PBB) or polybrominated diphenyl ethers (PBDE) have intentionally been added.

As the above-mentioned substances are not to be expected, Dana-Seals A/S does not operate any systematic tests.

We have obtained confirmation from all our raw materials suppliers that they comply with REACH EC 1907/2006 and RoHS 2011/65/EU.

We therefore declare that all our PTFE materials comply with the following regulations:

- REACH EC 1907/2006
- RoHS 2011/65/EU

This Statement is based on our understanding of the above-mentioned directives and regulations and our knowledge of the materials that are used in Dana-Seals A/S products as per the date of this Statement. The above-mentioned has no significance for assuring or guaranteeing chemical resistance, product composition or commercialisation in any legally binding way.

Thank you for your continued interest in our products.

Kind regards

Dana Seals A/S
